Plymouth, UK

European Center for Quality

AIMS AND OBJECTIVES

Intercultural
Competence
Training for
SMEs Hosting
European
Mobilities

www.intermobil-project.eu

- ✓ The overall aim of the InterMobil project is to create a more favourable environment for youth exchanges and mobility programmes in the field of VET and Labour Market placements.

Project objectives

- ✓ To develop an effective program for intercultural training
- ✓ To remove the obstacles to successful youth mobility due to intercultural differences and misunderstanding
- ✓ To strengthen the position of intercultural competences in EU youth mobility programmes as tool to maximize the benefits of the mobility

Target groups

- ✓ SMEs and similar organizations hosting mobilities, intermediaries facilitating EU-mobilities and EU-mobilities sending organizations
- ✓ Learners that are involved in EU mobilities, funded by the European Union
- ✓ EU mobilities networks
- ✓ Institutions and organizations for vocational education and training in EU countries

Achieved results
